Nippon Momento™

Nippon Momento™ is formulated with low VOC and contains no lead, mercury, chrome or heavy metals, creating a healthier environment. It is recommended for interior walls, ceilings, cement based plaster, gypsum-based plaster, brickwork, hard and soft boards as well as fibre cement board.

LOW ODOUR & LOW VOC

Almost no paint smell and less VOC emission.

NON-TOXIC SOLVENT

No lead, mercury, chrome or heavy metals.

Surface Preparation

- Remove all loose, defective paint or powdery residues
- Repair cracks, uneven surfaces with suitable putty or fillers
- Smoothen the areas with sandpaper
- Clean the area thoroughly and let dry
- Allow all surfaces to dry completely prior to painting

- All colours shown are as close to the actual Nippon Paint colours as modern printing techniques permit.
- Colour appearance / finishing will vary according to amount of coats, style of stroke applied and individual paint methods.

Apply Nippon Momento™ in 4 easy steps:

STEP 01

Apply 2 coats of Momento™ Primer onto surface.

STEP 02

Paint 1 coat of Momento™ Top Coat.

STEP 03

Use criss-crossed strokes for desired effect.

STEP 04

After 10-15 minutes, use spatula to smooth over the semi-dried coat.
